You want jumpers!! Well, we have jumpers with Lolli suede suspenders that tie (reinvent, recreate, that's reincarnation). Why wear a jumper that you can only wear in one lonely way (one is the loneliest numbbber...)

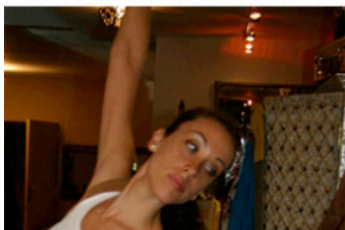

We've created a jumper that you can wear in at least 3 styles Yeahh!!! 1. Wear it as a dress 2. Wear it as a high waist dress 3. Wear it as a skirt. Understand why you can take some of these jumpers to Four Season LOL!!!

who's that girl?

Daria is a jazz and modern dancer/choreographer. Having moved to New York last winter. She's decided that the city is truly a 24 hour amusement park for grown-ups.

Daria is very excited to be performing in her first New York City dance performance this weekend with Rosario, a NYC-based post-modern troupe. Performances are at 9pm, Oct 4-7, at Merce Cunningham Theater (55 Bethune St, Greenwich Village). Tickets are \$15. For more information please visit <http://www.rosariorosario.org>
